Application to Present - NEATT 2009 Conference

Let's Talk Green…
Fitchburg State College, Fitchburg, MA
Friday, November 6th, 2009

The New England Association of Technology Teachers invites you to present at its 72nd annual Conference to be held at Fitchburg State College. Our theme, "Let's Talk Green" will focus on "green technology" that is presently being done in New England and how we can teach these concepts to our children. However, we are also looking for presenters who have interesting successful traditional projects that teach the skills our students need now and will need in the 21st Century. Let's Talk Green and Recycle, Reuse, and Reduce our Carbon footprint. Please consider presenting and sharing your knowledge with other Technology Educators @ this year's NEATT Conference.

Presenter's Name(s):
_____

School/Business:
_____

If there are multiple presenters, lead contact person fill in contact info below.
