March 17, 2020

Good afternoon,

As schools, students, families and the community plan for and experience closures, AWRSD is committed to providing ongoing guidance and resources as we sort through this unprecedented situation together.

Our most current guidance is provided below:

- You will be receiving information from the administrators of your child's school as to how access weekly activities for engaging your child in learning during this closure.
- We would like to remind you that if your financial situation has changed you can still submit applications for free/reduced meals. Forms can be submitted via email, a photo of the completed application with your phone will suffice.
- During this closure, we recommend using email to contact staff. School buildings are closed and reaching staff by phone will be difficult during this time.

Information continues to come from Commissioner Riley and the Department of Elementary and Secondary Education. When this and other information becomes available, we will update you.

Sincerely,

Sandra Rehler

Interim Superintendent of Schools
