OAKMONT REGIONAL HIGH SCHOOL

SENIOR DRIVING AND PARKING RULES AND REGULATIONS

1. Students must apply for permission to park at Oakmont. Only completed application packages will be accepted for review. A completed application package includes a student application form, a parent/guardian signature, a copy of license, copies of all vehicle registrations, and the permit fee. Parking fees are as follows:

Individual student parking space	\$50.00 per year
Two Senior student drivers from two different families sharing one parking space	\$20.00 per student per year
Three Senior student drivers from three different families sharing one parking space	\$10.00 per student per year

2. All approved applicants will be assigned a parking space and must display a parking permit on the inside bottom of the driver's side of the windshield. The registered vehicle must be the personal property of the registered student or his/her parents/guardians. Students must notify the main office with any vehicle and/or registration changes.
3. Students are required to park in their assigned parking space. Unauthorized and improperly parked vehicles will be ticketed. (1st offense = \$20.00, 2nd offense = \$30, and third offense = \$100/towing costs, and/or loss of parking privileges.) If your spot is occupied, park in the nearest visitor spot and report to an administrator immediately.
4. Students will obey all statutes relating to the operation of motor vehicles while traveling to and from school. The burden of familiarity with the law rests with the driver. Failure to obey these statutes and the following rules and requirements on school property may result in the loss of your parking pass. Please initial each rule below indicating that you are aware of and understand the rule:

- _____ Speed will not exceed 10 mph on campus.
- _____ When traffic going in your direction is at a standstill, you are not to block the intersection and prevent another vehicle from turning.
- _____ Exiting school property through the gate near the track onto Maple Ave. is prohibited unless directed to do so by a police officer or school administrator.
- _____ Students may not drop off or pick up students along the cafeteria side of the school.
- _____ Using another student's permit on a vehicle for which it was not intended is prohibited.
- _____ School buses always have the right of way. Students may not interfere with the departure of the buses when leaving school grounds. Student drivers will stop and allow buses to exit before them. This includes waiting at the stop sign until all the buses from Overlook have passed through the intersection.
- _____ Students may transport other students as long as they follow the laws of the Commonwealth of Massachusetts and have parent permission. Vehicles are not to be overloaded. All students must be seat belted.

- _____ Student drivers that are absent from school are not to be on property the day of the absence to pick up or transfer other students without permission.
- _____ No student will be allowed in the parking areas during school hours without permission from the administrative office. Students are not to go to their vehicles during the school day.
- _____ All student drivers must be eligible academically, behaviorally, and financially (see student handbook). Driving privileges will be suspended for violation of attendance, academic eligibility, or discipline policies.
- _____ Use or possession of tobacco, nicotine products, nicotine delivery device, alcohol, drugs, and/or its paraphernalia is not allowed in student vehicles while on school grounds. This is a violation of the Oakmont Chemical Health Policy.
- _____ Possession of weapons or incendiary devices are not allowed in student vehicles while on school grounds.
- _____ A search of a student's vehicle may occur if the administration or designee has a reasonable suspicion that a violation of law or school rules has occurred. Should a search uncover any substances or contraband, such shall be turned over to the appropriate authorities, and suitable disciplinary action shall be taken.
- _____ Students serving an in-house suspension will not be allowed to park at school for the duration of their suspension.
- _____ Repeated driving and/or parking offenses will result in the loss of the privilege to drive to and park at Oakmont.
- _____ Police may be notified for serious driving infractions.

Loss of driving privileges or possible legal procedures may result from violation of the above rules or for violation of state or local statutes regarding the operation of motor vehicles.

5. Students understand that they are renting the parking spot from the school. If for some reason they can no longer use their spot (ie: lost their license or car, become full time dual enrolled) the parking spot cannot be given to another student, it will be returned to the office and no refund will be issued.

I have read and agree to abide by the above rules and regulations.
