

OVERLOOK MIDDLE SCHOOL

PARENT PLUSPORTAL

To access your parent account:

Click on the *Parent PlusPortal* link on the OMS website (under Parent Resources).

Website: <https://www.plusportals.com/oms>

Enter your username and password. You will originally be given a temporary password that will prompt you to change your password (must include at least one capital letter) before you officially log in to the site.

Need help? Contact support@awrsd.org if you have not received an account activation email, please email support, leaving your full name, your child's name, and the grade he/she is in.

Some features of the *Parent PlusPortal* are:

- Access to your child's information anytime, anywhere using a web browser, smartphone, or tablet
- One login to view all of your children's data
- Student class schedules
- Combined calendars
- School and class alerts helping you stay informed
- Class pages
- Homework posted
- Quick summary screen shows latest grades posted for a quick look at how your child is doing academically
- School directory

The following link has interactive guides on what to expect in the portal. It is an excellent resource that will help you navigate the portal effectively.

Mobile App! Download the Rediker Parent PlusPortal application on Android and iOS systems. The app makes checking your account fast and easy. When logging in the first time you will need to add Overlook Middle School to your account. Use "OMS" as the school name. If you also have a child at Oakmont you can add that account by using school name "OAK".

Please keep in mind we are all learning this new system together. Teachers and administrators will do their best to answer any questions you have regarding accessing information via the portal.

If you have questions regarding a specific class, please contact the classroom teacher directly.
