Good afternoon,

This afternoon the governor issued an executive order that extended the closure of Massachusetts schools through the end of April, reopening no sooner than May 4th. Tomorrow I will receive guidance from Commissioner Riley of the Department of Elementary and Secondary Education and in the days ahead I will be working with the administrators to develop educational programming that will provide the best possible opportunities for all students. This remote learning plan will be implemented by early April.

More information will be forthcoming in the near future. I hope that you and your families remain safe and healthy.

Sincerely,

Sandra Rehler
Interim Superintendent of Schools
