MCAS: Access & Achievement for Students with Disabilities

A Free Workshop for Parents and Professionals

Introduces the Massachusetts Comprehensive Assessment System (MCAS) and how children with disabilities can participate in meaningful ways in MCAS.

Workshop Topics:

- *Standards Based Education*
- *MCAS 2.0 for the 21st Century*
- *Different Ways to Test*
- *ELL Students & MCAS*
- *Parent/Guardian Report*
- *Diploma Requirements*
- *Options for Success and more!*

About Your Host:

The Ash-West SEPAC, in collaboration with the AWRSD Special Education Department, invites parents and caregivers to this informative workshop.
